

COOKIE POLICY

IVM — International Investment Market
Compact Institutional Layout

Policy Overview

This Cookie Policy explains how IVM uses cookies and similar technologies across its website and digital services. This policy should be read together with the Terms of Service and Privacy Policy.

1. What are cookies

Cookies are small text files stored on your device to enable core site functions, security, and analytics. They may be session-based or persistent.

2. Why we use cookies

- authenticate users and protect accounts
- maintain secure sessions
- improve platform performance and usability
- understand traffic and usage patterns

3. Types of cookies

Strictly Necessary: required for security and platform operation.

Performance & Analytics: aggregate statistics about usage.

Functional: remember preferences such as language or interface settings.

Marketing (if applicable): measure campaign effectiveness and relevance.

4. Third party cookies

IVM may use trusted third party providers (e.g., analytics or security vendors). These providers process data under their own policies.

5. Managing cookies

Users can manage cookies via browser settings or cookie banner preferences. Disabling certain cookies may affect functionality.

6. Data protection

Cookie data may be processed in accordance with the IVM Privacy Policy and applicable data protection laws.

7. Policy updates

This policy may be updated periodically to reflect legal, technical, or operational changes. The latest version is published on the website.

Regulatory Notice: IVM operates through licensed and/or affiliated entities. Regulatory permissions and investor protections may differ depending on jurisdiction.
