## Policy Overview

This Privacy Policy explains how IVM collects, uses, stores, and protects personal data when users access the website and related investment platform services. This document is designed for professional transparency and should be read together with the Terms of Service and Cookie Policy.

### 1. Data we collect

- Identity data (name, date of birth, government ID for KYC)
- Contact data (email, phone, address)
- Account and transaction data
- Technical data (IP address, device, browser, logs)
- Compliance data (AML/KYC checks, risk profile)

### 2. How we use data

- account creation and platform access
- identity verification and compliance obligations
- service delivery, security, and fraud prevention
- analytics and service improvement
- legal and regulatory reporting requirements

### 3. Legal bases (where applicable)

Processing may rely on contract performance, legal obligations, legitimate interests, or user consent depending on jurisdiction.

### 4. Data sharing

Data may be shared with regulated service providers, payment processors, identity verification vendors, analytics providers, and competent authorities where required by law.

### 5. International transfers

Data may be processed in different jurisdictions with safeguards appropriate to applicable data protection standards.

### 6. Data retention

Information is retained only as long as necessary for operational, contractual, and legal compliance purposes.

### 7. Security measures

IVM applies administrative, technical, and organizational controls designed to protect personal data against unauthorized access, loss, or misuse.

### 8. User rights

Depending on local law, users may have rights to access, correct, delete, restrict, or object to certain processing, and to request data portability where applicable.

### 9. Policy updates

This Privacy Policy may be updated periodically to reflect regulatory, operational, or technical changes. The latest version is published on the website.
